

DIPSPECTRA

APRIL- JUNE 2026 ISSUE

Message From The Pro Vice Chairman

Dipspectra marks a significant milestone in the journey of Delhi Public School, Vijaipur -- a journey enriched by learning, creativity, achievement and aspiration. I extend my heartfelt congratulations and best wishes to the students of Classes X and XII for their outstanding performance in the CBSE 2025–26 examinations. Their success is a matter of immense pride and reflects their dedication, perseverance and the guidance of their teachers.

It is heartening to see the school progressing under a vibrant blend of young, talented and committed educators and experienced, seasoned teachers. With enhanced infrastructure being added, I look forward to more modern and enriching learning opportunities in the years ahead. I am confident that our students possess immense potential to excel and bring greater laurels to the school in academics, sports, co-curricular activities and every sphere of school life. May they continue to learn with curiosity, aspire with confidence and move forward with purpose. My blessings and best wishes to the entire school fraternity for a bright and rewarding future.

Vinay Kumar Gupta
Pro Vice Chairman, DPS, Vijaipur

1. DPS Vijaipur Excels Yet Again in CBSE Board Examinations

CLASS XII – SCIENCE STREAM

A Journey of Determination and Academic Excellence

The Class XII Science students of Delhi Public School, Vijaipur delivered an encouraging academic performance in the CBSE Examination 2025–26, marked by several noteworthy achievements. The stream produced an impressive school topper, Bhavya Shrivastava, with 90.6%, closely followed by Aman Soni (85.6%) and Sumit Rana (85.2%), reflecting healthy academic competition among the achievers. The result showcased remarkable subject-wise excellence. Students demonstrated outstanding proficiency in Computer Science (79 average), English (77) and Biology (75), while Physical Education recorded an exceptional average of 88 marks, highlighting all-round scholastic development. Several students secured 90+ marks in individual subjects, with the highest being 99 in Computer Science, exemplifying academic brilliance.

The Science stream once again upheld the school's tradition of nurturing confident, competent and future-ready learners through consistent guidance, dedicated teaching and sincere student effort.

CLASS XII – COMMERCE STREAM

Commerce Students Script Another Success Story

The Commerce stream of Delhi Public School, Vijaipur registered an admirable performance in the CBSE Examination 2025–26, reflecting commitment, perseverance and academic discipline. Sarita Bhilala emerged as the Commerce topper with an excellent 89.8%, while Priyani Barela (81.6%) and Shreyas Agrawal (80.4%) added further distinction to the stream's success.

The students displayed exceptional command over their core subjects. The stream recorded an outstanding subject average of 90 in Computer Science and 98 in Informatics Practices, besides commendable performances in Economics (76), Physical Education (78) and English (70). The highest individual subject score of 98 in Informatics Practices stands as a testimony to the academic excellence achieved by the students.

The encouraging results reaffirm the school's unwavering commitment to academic quality and holistic education, inspiring students to pursue higher goals with confidence and determination.

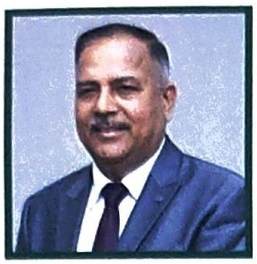
Principal's Message



Dear Students,
Parents and Well-wishers,

It gives me great pleasure to present the July 2026 issue of *Dipspectra*, reflecting some of the enriching experiences and achievements of the past two months at DPS Vijaipur.

The new academic session has commenced with enthusiasm and active participation. From joyful learning in the Kindergarten Wing to Inter-House activities and an educational tour to Nangal, Punjab, our students have engaged in experiences that extend learning beyond the classroom.

I congratulate our Class X and Class XII students on their commendable performance in the CBSE Board Examinations. Their success is a result of sincere effort, dedicated teachers, and the unwavering support of parents.

We also continue to strengthen our learning environment with enhanced facilities in the Kindergarten Wing and the addition of eighteen advanced computers to our Computer Laboratory.

I hope this edition of *Dipspectra* offers you an enjoyable glimpse into the vibrant life of our school and our continued commitment to holistic education.

With best wishes,

R. S. Choudhary
Principal, DPS, Vijaipur

CLASS X –
A Stellar Display of Scholastic Excellence

The Class X students of Delhi Public School, Vijaipur scripted an inspiring success story in the CBSE Board Examination 2025–26, reflecting the school's unwavering commitment to academic excellence. The batch achieved an impressive class average of 76.3%, with outstanding performances across the merit spectrum.

Leading the honours list, Vandana Dhakad emerged as the School Topper with a remarkable 96.2%, followed by Shyam Joshi (90.8%) and Utkarsh Pandit (88.2%), exemplifying the students' dedication, perseverance and pursuit of excellence. Notably, two students secured above 90%, while several others achieved commendable first-division scores.

The subject-wise performance was equally praiseworthy. Social Science recorded an outstanding highest score of 100, while students also excelled in Hindi (98), Science (98), Sanskrit (97), and English (92). The highest Best Five aggregate reached an impressive 96.2%, underscoring the all-round academic strength of the batch. The consistently strong subject averages in Social Science (78.0), Sanskrit (78.0) and English (75.1) further reflected the students' balanced scholastic achievement. The excellent results stand as a testament to the collective efforts of the students, the dedicated faculty and the unwavering support of parents, reinforcing Delhi Public School, Vijaipur's enduring tradition of nurturing confident, competent and high-achieving learners

CBSE 2025-26 Class X Toppers

Vandana Dhakad (96.2%) | Shyam Joshi (90.8%) | Utkarsh Pandit (82.2%)

2. An Educational Odyssey to Remember

The students of DPS Vijaipur embarked on a rewarding 5-day Educational Tour to Nangal (Punjab) from 27th to 31st March 2026, where learning came alive beyond the classroom.

The itinerary included visits to the Naina Devi Temple, Anandpur Sahib Gurudwara, Virasat-e-Khalsa, the Bhakra Nangal Dam, and the Nangal Wetland. These visits offered students a unique blend of spiritual, historical, scientific, and environmental learning. The Bhakra Nangal Dam, in particular, provided fascinating insights into engineering, water resource management, and technological excellence. The tour was attended by 33 students of Classes VII–XII and was conducted under the dedicated supervision of Mr Jagdish Nathgosavi, Mr Sanjeev Shrivastava, and Ms Bhumika Chouhan, ensuring a safe, disciplined, and enriching experience throughout. The successful tour reflected the unwavering support of Shri Vinay Kumar Gupta, Honourable Pro-Vice Chairman, DPS Vijaipur, the efficient planning of Shri Vikram Rawat Ji, Secretary, FES, and the inspiring leadership of Shri Rakesh Singh Choudhary, Principal. The excursion proved to be a memorable journey of exploration, experiential learning, and personal growth, leaving students with lasting knowledge and cherished memories

3. Induction Programme on NEP, NCF and ECCE

On 19th April 2026, DPS Vijaipur organised an Induction Programme on the theme "Importance and Implementation of NEP, NCF and ECCE" for its teaching faculty. The programme aimed to familiarise educators with the key principles of the National Education Policy (NEP), the National Curriculum Framework (NCF), and Early Childhood Care and Education (ECCE), while emphasising their effective implementation in classroom practices.

The session was conducted by Shri Rakesh Singh Choudhary, Principal, who shared valuable insights into the evolving educational landscape and highlighted the importance of adopting learner-centred, competency-based teaching practices. His address encouraged teachers to embrace innovative pedagogical approaches in line with national educational priorities.

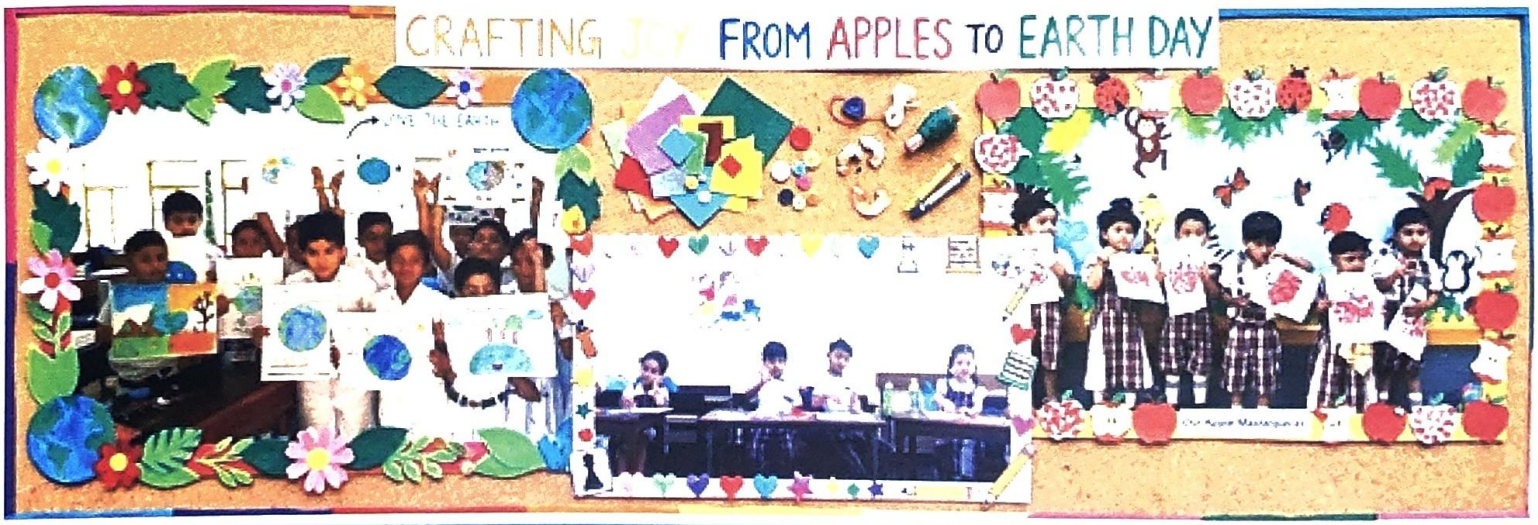
The programme provided an enriching platform for both newly inducted and experienced teachers to reflect, learn, and strengthen their professional competencies. It reaffirmed the school's commitment to continuous professional development and excellence in teaching-learning practices.

4. Creative and Skill-Based Activities

The academic session 2026–27 began with Kindergarten students enthusiastically participating in Tear and Paste, Poster Making, and Spell Bee activities. These engaging experiences made learning joyful while nurturing creativity, confidence, and self-expression.

Tear and Paste strengthened fine motor skills, coordination, and concentration through colourful creations. Poster Making encouraged creativity, observation, and expression through colours and illustrations. Spell Bee enhanced vocabulary, pronunciation, listening, and word recognition through enjoyable language practice.

The cheerful participation of the young learners reflected their eagerness to learn through activity-based education and set a positive tone for the new academic year.



5. A Splash of Fun Before the Summer Break

Delhi Public School, Vijaipur, welcomed the summer break with a joyful pool party for its Kindergarten students on Saturday, 27 June. Amid laughter, splashes, and cheerful excitement, the young learners enjoyed a memorable day at the school's swimming pool.

With dedicated female staff members and professional lifeguards ensuring complete safety, the children enthusiastically participated in fun-filled water games and confidence-building activities. Dressed in their school-approved swimwear, they delighted in every moment, strengthening their water confidence while learning the value of teamwork and social interaction. Mr. Rakesh Singh Choudhary, Principal, remarked that such experiences are an integral part of holistic education, providing children with opportunities to learn, grow, and create happy memories in a safe and nurturing environment.

6. SOF Olympiad Success: DPS Vijaipur Excels Once Again

The students of Delhi Public School, Vijaipur once again demonstrated their academic brilliance in the Science Olympiad Foundation (SOF) Olympiads 2025–26. Conducted under the aegis of SOF, New Delhi, the Olympiads provided a national platform for young learners to showcase their knowledge and analytical skills.

Around 275 students participated in the International Mathematics Olympiad (IMO), International English Olympiad (IEO), National Science Olympiad (NSO) and International Computer Science Olympiad (ICSO). Of them, seven students qualified for the Level II Examination held at Bhopal: Bhart Tiwari (IX–IMO), Anand Kumar (IX–IEO), Saanvi Rahangdale (VIII–NSO), Arush Jhariya (VII–NSO), Rashi Singh (VI–NSO), Tribhuvan Rakesh Shrivastava (III–IMO) and Aahaan Anand (III–NSO).

Adding to the school's pride, Master Mayank Dhakad (Class III) secured 17th Zonal Rank (Madhya Pradesh) in NSO and received the Certificate of Zonal Excellence. Bhakti Surana (Class VIII) brought further laurels by securing International Rank 133 and Zonal Rank 9 in ICSO, earning the Certificate of Zonal Excellence and a ₹ 500 Gift Voucher.

These achievements reflect the students' talent, perseverance and the dedicated guidance of their teachers, reinforcing DPS Vijaipur's tradition of academic excellence.

Certificate of Zonal Excellence

Bhakti Surana | Mayank Dhakad

Qualifiers of Level II Examination

Anand Kumar | Aarush Jhariya | Sanvi Rahangdale | Tribhuvan R Shrivastava | Bharat Tiwari | Aahaan Anand | Rashi Singh

7. Little Yogis : Nurturing Healthy Minds and Happy Hearts

DPS Vijaipur organised a joyful yoga session for Kindergarten students, introducing them to the values of health, harmony, and self-discipline. Guided by their teachers, the little learners enthusiastically practised simple yogasanas, breathing exercises, and mindfulness techniques.

The session promoted fitness, flexibility, balance, concentration, and emotional well-being, while encouraging healthy habits and self-awareness. Their cheerful participation beautifully reflected the spirit of yoga and reinforced DPS Vijaipur's commitment to the holistic development of every child.

Dipspectra : Celebrating The Spectrum Of Possibilities

It is with great pride that I present the maiden issue of *Dipspectra*, the newsletter of Delhi Public School, Vijaipur. As Chief Editor, I am delighted to present it as a reflection of our school's spirit, achievements, and aspirations.

The name *Dipspectra* symbolises the many colours of a single beam of light. Likewise, DPS Vijaipur represents a vibrant spectrum of academics, science, sports, arts, culture, and creativity. This newsletter brings these diverse facets together while celebrating our students' accomplishments and experiences.

A school is more than classrooms—it is where students discover themselves, build confidence, question, create, and contribute. *Dipspectra* therefore seeks not merely to record events, but to recognise effort, inspire participation, and encourage excellence.

The growth of DPS Vijaipur is supported by the Fertilizers Education Society and the visionary leadership of our Principal, Mr. Rakesh Singh Choudhary. With a dedicated team of teachers, we strive to nurture knowledge, character, creativity, and compassion.

May *Dipspectra* become a cherished record of our learning, achievements, and possibilities, while beginning a new tradition for our school.

With pride and optimism, I welcome you to the first issue.

Happy reading !
